

Fiji Tourism Bibliography

This list is based on one of my personal research bibliographies. My research has not been focused on tourism in Fiji for over 25 years, so the majority of the entries are not recent, but I do add titles irregularly as I become aware of books or articles that hold interest for me. It can be enhanced and elaborated if others are also willing to share their information, and provide useful references will of course be acknowledged on the webpage. [\[Last edited/added to: 2 September 2021\]](#)

Roderick Ewins PhD

1964. *Fascinating Fiji [Tourist guide]*. Chicago: Curt Teich & Co.
